5. It is understood and agreed that the State's participation is confined solely to securing federal aid; that any damages arising from carrying out, in any respect, the terms of this agreement or any modification thereof, shall be solely the liability of the Town and that the Town hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees

from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever, which is caused by any activity, condition, or event arising out of the performance or nonperformance of any provisions of this agreement by the State, any of its departments, agencies, officers and employees, the Town, any of its agents, officers and employees, or any of its independent contractors.
